

**Thank you** for partnering with **CARE** **NET.**  
in the baby bottle Change for Babies!\* Just as a  
little change add\$ up, so little changes add up: we are  
teaching and guiding “line upon line, here a little, there a  
little” (Is. 28:10).

CareNet is more than “just” a social service – it is a place  
where...

♥ counseling happens – please pray, as clients ask questions  
about their situations, sharing stories of vulnerability...

♥ mentorship happens – pray, as clients’ assumptions about  
free sex and cohabitation are faced with truths about  
commitment, passion, and wholeness in relationships.

♥ sacrifice happens – “thank you!” to current and past  
volunteers, who gave your time to love on a highschooler, a  
mom, a newborn...Pray for more volunteers.

♥ life happens – ladies discover pregnancies and see  
ultrasounds of their precious, tiny babies. Pray they will embrace  
both their baby’s life and eternal life through faith in Christ!

(\*Please return baby bottles to CareNet before the end of February.)

*life - HE creates it. love it. protect it*
